

Mike and Dorothy
Martinez

All we had at this point
was a picture with the
names Mike and Dorothy
Martinez on the back
And
the family knowledge that
her maiden name was
Salazar
And that she might of died
in Utah. I search and
search and could find no
records of her at all except
for an early census when
she was married to Mike
early in there marriage.
Because I could find
nothing on her, I
researched her husband.

His Obituary states the name of his Ex-Wife – Now we had a name. Only I still could not find anything under the new name in Family Search. Because she was young enough to have had a recent death, Melva suggested I google it. I googled “Jacqueline D. Fuentes’ obituary Utah.”
